- Residential Tenancies Act, 2006

**Background:**

The annual rent increase guideline is the maximum amount that most landlords can increase a tenant's rent without making an application to the Landlord and Tenant Board. The 2023

guideline was calculated under the Residential Tenancies Act, 2006 and is based on the Ontario Consumer Price Index. Annual rent guidelines are designed to recognize changes in building operating costs, so that housing providers can properly maintain properties and protect tenant health and safety, while at the same time ensuring that tenants can still pay their rent.

The 2023 rent increase guideline is 2.5 per cent and will be published in the Ontario Gazette in August as required under the Residential Tenancies Act (<https://www.ontario.ca/search/ontario-gazette>).

**Action:**

The 2023 guideline applies to a rent increase that will take place between January 1, 2023 and December 31, 2023.

Effective January 1, 2023 to December 31, 2023, increases to market rent must not exceed 2.5% as per the 2023 Rent Increase Guideline.
